

Irving ISD Summer Meal Program Keeps Kids Fed

IISD Food & Nutrition Services cares about "our kids" and other children in the community. Hunger doesn't stop just because school is out for the summer. We want to make sure that everyone still has the opportunity to receive a hot nutritious meal daily.

During our Summer Meals Program, everyone 18 years and younger (no ID required) is entitled to free meals served at any of the summer feeding sites below.

The IISD Food & Nutrition Services Department is proud to offer this program.
