Irving ISD Middle School Choice Application for the 2025-2026 School Year

Welcome to the Irving ISD Middle School Choice Application!

Prepare your middle schooler for the future with a dedicated Science, Technology, Engineering and Mathematics (STEM) education that equips them with the skills and knowledge needed to succeed in a rapidly changing world and foster a love of learning. The STEM Academy at de Zavala Middle School focuses on hands-on learning, future ready skills; igniting curiosity through STEM Fusion across core subjects and exploring skills like robotics, coding, 3D Printing, laser cutting, drones, digital design and more. For more information about the STEM Academy at De Zavala, please visit: <https://irvingisd.net/deZavalaSTEM>

Please note, students only need to submit **one** application. Multiple applications do not increase the chances of selection during the lottery process. Duplicate applications will be discarded with only the most recent application used for the lottery.

**For assistance on matters concerning the application, please contact schoolchoice@irvingisd.net. For questions about the programs and coursework, please contact the campus associated with your concerns.*

How the Application and Selection Process Works:

Irving ISD conducts a **random lottery** in selection of applicants. There will be **three** rounds of independent lotteries to determine students selected for De Zavala Middle School. Therefore, each student will have three opportunities to be selected to attend De Zavala. If you are not selected in the first round, you still have a chance to receive acceptance in the second, or even third round!

If you are not selected in any of the three lottery rounds, your name will then be put on a **waitlist**. Students may decline their offers and seats can still open up, so there is still a chance!

Initial or Retake Application

Please select one of the following:

- This is my first time completing this application.
- I am retaking my application and would like to change my initial decisions.

Please be advised that you are about to retake your School Choice Application. By completing this application you are choosing to override your initial responses. Once you complete this application, your new choices will be used in the lottery and your previous choices will be abandoned.

- Yes, I understand and want to permanently change my choices.
- No, I want to keep my choices as is. (this will exit you from the application)

Irving ISD High School Choice Application for the 2025-2026 School Year

Welcome to the Irving ISD High School Choice Application! Irving ISD offers two pathways for our high school students: **Career and Technical Education (CTE) Pathway** and our **Early College Pathway**. After selecting their pathway, students will have the option to select **three programs** of their choosing.

Please note, students only need to submit **one** application. Multiple applications do not increase the chances of selection during the lottery process. Duplicate applications will be discarded with only the most recent application used for the lottery.

**For assistance on matters concerning the application, please contact schoolchoice@irvingisd.net. For questions about the programs and coursework, please contact the campus associated with your concerns.*

How the Application and Selection Process Works:

In this application you will first select a pathway and then you will rank your prospective programs of choice. Irving ISD conducts a **random lottery** to select applicants to their program of choice. There will be **three** rounds of independent lotteries to determine selected applicants for their chosen program of choice. Each round is directly determined by the order in which a student ranks their programs of choice. So, if you are not selected for your first program of choice, you still have a chance to receive acceptance to your second, or even third program!

If you are not selected in any of the three lottery rounds, your name will then be put on a **waitlist** based on your choices. Students may decline their offers and seats can still open up, so there is still a chance!

Rules:

- You can only select ONE pathway - **Early College** or **Career and Technical Education (CTE)**.

- To apply for the [Early Collegiate Pathway](#), you must be a **current 8th grader**. Students that are currently in HS cannot apply for the Early College Pathway.
- To apply for the [CTE Pathway](#), you must be a **current 8th OR 9th grader**.
- You MAY select and rank a program more than once! For example, if the only program you want is Nursing, then put it as all three choices! This just increases your chance to be selected.

Pathway Branch

Please select the high school pathway that you are interested in applying for:

CTE Pathway (Graduate with a Career Specialty)
Current 8th & 9th Graders Only

Early College Pathway (Graduate with an Associates Degree)
Current 8th Graders Only

Early College Pathway

By choosing the Early College Pathway at Irving ISD, you will put yourself on the pathway to graduate High School with an Associates Degree.

- All applicants selected in the lottery must complete all requirements for promotion to ninth grade to enroll. Selected students who fail to complete all requirements for promotion to ninth grade will forfeit enrollment at their selected campus.
- If selected, students will be enrolled in rigorous high school courses and college-level courses and will be expected to work toward a college degree in high school.
- Due to the rigorous nature of the coursework, students **will not be allowed** to participate in any extra curricular activities. (e.g. Athletics, Band, etc.)
- If selected, students will be expected to attend summer camp (Collegiate Camp/Summer Bridge).

The lottery process for both of our Early College campuses does not take into account your academic history per the Texas Education Agency guidance.
