PARENT COMPACT 2024 - 2025

Travis Middle School is committed to the belief that all students can learn and acknowledges that all of us - parents, teachers, students and administrators - can make a positive difference in student achievement if we work together. The school will provide an optimum learning environment which will enable students to experience success and achieve excellence in learning.

Family Pledge

As parents, we want our children to have the best possible education and realize that strong school systems are essential. Therefore, we join with Travis Middle School in providing an optimum learning environment for our children by:

- Checking my child's assignments and grades in Canvas and HAC.
- Ensuring that my child attends school daily.
- Insisting that my child has completed all required homework.
- Reviewing what has been learned at school each day with my child.
- Reminding my child, a minimum of one hour (3 times a week) of uninterrupted time (without television), which will be devoted to an instructional activity such as homework or reading together.
- Showing respect for school property and ensuring the safe returns of all district materials and property.
- Arriving at school on time and prepared to learn.
