MISSION

*Empowering all for personal growth and
life-long success.*

VISION

*We envision Singley Academy as a community where we provide
an equitable and excellent education by building positive
relationships, engaging in high levels of learning, and
nurturing self-reflection.*

The students who will be speaking at the graduation ceremony were selected based on neutral criteria to deliver messages of the students' own choices. The content of each student speaker's message is the private expression of the individual student and does not reflect any position or expression of the Board of Trustees, administration, other District employees, or the views of any other student.
